Subject: tape of ongoing discussions by hearing officer and staff re: citation 1004 Picaacho, Lough

Dear Aida: City attorney Sandi Levin has asked me to ask you if you can provide a tape of the conversations that took place inside the hearing room when the administrative hearing related to your citation was either in recess or after it ended. At the last council meeting you testified that you had recorded those conversations on your mobile phone and could provide them for review.

That fact that discussions were held during recess or after the meeting has caught the attention of the city attorney. Ms. Levin, who works directly for the City Council and not for the city manager, will be conducting an independent investigation of the proceedings.

You may send the tape directly to her office at Colantuono and Levin,  
Colantuono & Levin, PC  
300 South Grand Avenue, Suite 2700  
Los Angeles, CA 90071-3137  
Voice (213) 542-5700

Fax (213) 542-5710

Please inform Sandi or me as to the approximate amount of time it will take to provide the audio tapes and let either of us know if you need a recording device or other equipment to copy your records. If you feel a neutral party should be involved, we can ask Joe Geissinger for assistance.

Thank you in advance for your cooperation in this matter.

Shauna .

Shauna Clark, City Manager
